Sir:

SUPPLEMENTAL AMENDMENT AND OFFICE ACTION RESPONSE

This Amendment and Office action response is intended to supplement the office action response filed on August 17, 2007.

AMENDMENT

Applicants have amended claim 1 and claim 13 to comply with Examiner's objection. The claims now clearly state property (b), the pour point, is -35°C or lower. This was clearly the intent in the previous amendment. Support can be found in Paragraph 39 and thus, no new matter has been added.

CERTIFICATION OF FACSIMILE TRANSMISSION
